

Man, that caterpillar  
sure could eat!  
It's time for you to  
enjoy a treat!

The very hungry caterpillar ate  
15 different kinds of food.  
We would love for you to try 6 of them!  
5 are on your plate, and 1 is to take home.

$5 + 1 = 6$

How many different kinds of food did the caterpillar eat?

Color the caterpillar.
